* Source Euromonitor International Limited; Retail Value RSP terms; all channels; 2017 to 2020. Beauty Systems are at-home Skin Care Beauty Devices that are exclusively paired or recommended to be used with a topical consumable of the same brand. Claim verification based on Euromonitor custom research and methodology conducted January-March of 2021. Sales of at-home skin care beauty devices includes sales of electric facial cleansers as defined in Passport database. This category does not include hair care/removal appliances, body shavers, and oral care appliances
